

Hearthstone Houses, LLC
7915 Capri Circle
Houston, TX 77095

MISSION STATEMENT

The mission of Hearthstone Houses is to serve persons in recovery from addiction and their affected family members by improving access to quality recovery residences through standards, support services, placement, education, and advocacy.

THE BEGINNING

In 2018, Hearthstone Houses opened two recovery residences in a well-established neighborhood, which is also home to a private country club. The first house is located at 7915 Capri Circle in Houston, Texas. Hearthstone Houses sober living was founded by a local family who personally know the devastating effects of addiction and the positive impact sober living can have on people, families, and communities.

The founder has an extensive background in corporate market development and is CEO of a small private real estate investment company. Currently acting as a paid consultant in developing metrics and selection of venture capital target Recovery Housing locations. The founder is active with ROSC Houston, local HOA Boards and HOA Attorneys, Sheriff and Constables Offices to develop a collaborative effort for recovery housing acceptance in neighborhoods.

The Hearthstone Houses **Signature Recovery Plan** is based on the National Alliance of Recovery Residences (NARR), Texas Recovery Oriented Housing Network (TROHN), and Americans with Disabilities Act (ADA) principles to tailor the facility and recovery plan to match the track for the people who reside in those or similar communities.

GOING FORWARD

Hearthstone Houses' plans are fully vested within the TROHN and NARR Certifications as Level III facilities and intend to expand into additional Houston satellite communities.

Hearthstone Houses intends to focus on increasing access to emerging adults ages 18-25, targeting and establishing MOUs with Be Well Texas and Be Well Texas-funded SUD programs, ROSC Houston, Discovery Behavioral Health, Positive Recovery, Magnolia City Detox and Houston Recovery Initiative.
